THE PLAZA AT PASARROYO

is a new outdoor oasis that spans more than 60,000 sf, and is centered in the heart of the property, amidst four distinct activity quadrants.

Enjoy lunch outside, participate in a collaboration session or attend a special event in this energetic environment that features plentiful resort-style seating, music and space to breathe.

Custom outdoor patios with shade structures, lounge furniture, and lushly landscaped gardens create natural settings to gather!

Bocce ball, cornhole, darts, ping pong and foosball provide entertainment and promote engagement.

There's even a full stage and fire pit to create those memorable moments.
