

#### The Plaza PASARROYO

An outdoor oasis centered in the heart of the Property, spanning more than 60,000 square feet, with four distinct activity quadrants.

Enjoy lunch outside, participate in a collaboration session or attend a special event in this energetic environment that features plentiful resort-style seating, music, and space to breathe.

### Four Distinct Activity Quadrants

Outdoor patios with custom designed shade structures, lounge furniture, and lushly landscaped gardens create natural settings to gather.

Bocce ball, cornhole, darts, ping pong and foosball provide entertainment and promote engagement.

There is even a full stage and fire pit to create those memorable moments.
