

# LifeStyle!

## Catch the Buzz!

PASARROYO is proud to partner with Alveole, the Urban Beekeeping Company, to join in the movement for a more eco-conscious city.

We invite you to fall in love with bees, help build ecological awareness, and join us in creating more sustainable cities and food systems.

A beehive has been installed on the rooftop of PASARROYO's parking structure, welcoming 50,000 honey bees as new tenants at PASARROYO!

To learn more, Scan the QR Code to access the "Catch the Buzz!" block via the Tenant App.

Stay tuned for updates on how our bees are doing and on-site workshops coming soon!
